Presbyterian
CHURCH IN IRELAND

10+10 in 10

In recent years there has been a growing desire and commitment within the Presbyterian Church in Ireland to see new churches planted across this island that bring new life in Christ, to new people, in new places.

To bring further momentum and focus, in 2025 PCI affirmed a vision to be embraced prayerfully, practically and prophetically by the whole Church. This conviction is a shared decade long goal explained below.
