November 2026

The Good News Club children, teenagers from 'iFood with God' and all the volunteers have received new t-shirts which has been useful in identifying ourselves better within the community.

The 'Coffee with God' Bible study has changed to a Saturday afternoon together with the 'iFood with God' study for the teenagers. None of the activities within the community of Peixinhos are happening now in the evenings due to contextual situations happening within the community.

The Reading Room has now opened up again several days during the week also in the afternoon.

Reading in the Park has been very encouraging this past month in Beberibe community, with 20 plus children coming along each week. Around 10 children who come along have enthusiastically taken up a new challenge of daily devotional activities. It is hoped that the children will complete these Bible Studies and hand them in to the volunteers to mark every couple of weeks. It was lovely to see the enthusiasm of some of the parents who bring their children regularly along to Reading in the park, to be involved in this extra activity which the children complete at home in their own time.

Christmas street evangelism events are being prepared although in Peixinhos this year we hope to have the presentation in the afternoon.

We are excited both in Peixinhos and Beberibe to use our large Christmas wreath to explain the eternal love of God, which has no beginning nor ending, just like our wreath in the shape of a circle.

Workshops of making Christmas wreathes are planned in the community coming up to Christmas, where we hope to share further the true meaning of Christmas and God's infinite love for each of us, which can't be measured.

Prayer points:

- Give thanks for the children who have taken up the daily devotional challenge, that God would bring many of them and their families to Himself.
- Pray for plans and preparation for Christmas evangelistic events within the communities.
- Pray for the teenagers in Beberibe as they look at what the Bible says about sex, love and relationships.
- Continue to pray for wisdom and safety for the volunteers in both Beberibe and Peixinhos communities in all the various evangelistic activities.
