Presbyterian
CHURCH IN IRELAND

GLOBAL DISCIPLES
Go Deep Go Wide

Edwin and Anne Kibathi

October 2026

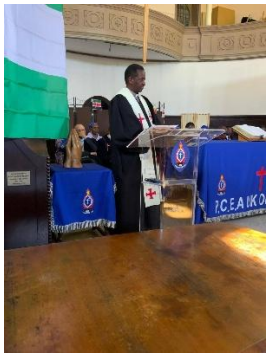

Location: **London, UK**
Mission: **Pastoral ministry and church planting**

Following the good, though a scorching summer, most who had taken a break are now back. As we had reported recently, the 20th anniversary Thanksgiving service was held on 26th Sept 2026. All our congregations had gathered in East London, where the London congregation meets. Among the invited guests who attended were the PCEA Deputy Secretary General, Rev. John Mbae and the PCI Global Mission Secretary, Rev. Uel Marrs.

It was a time to reflect, celebrate, and thank God for His faithfulness.

The message was delivered by the Rev. John Mbae, who also brought greetings and a goodwill message from the PCEA Head Office in Nairobi.

The Rev. Uel Marrs also brought greetings from PCI and led the congregation in thanksgiving prayers.

This month of October is the time we focus on physical health education. Our health workers from all the congregations have started giving talks on various topics to our members. The theme for this year is, "Break the yoke: Take Action". The main emphasis is Alcohol and substance abuse.

Next month starts with the Presbyterian Men's Fellowship celebrating their week. This will also include visiting the men who are unwell or having other challenges. It will conclude with the men leading the church service in all our congregations.

Prayer Points:

- Thank God with us for the success of the 20th Anniversary Thanksgiving Service.
- Thank God for the safe travels of all attendees, especially those who came from afar.
- Pray that the health month activities will go on well and that all will benefit from and be empowered by the talks that will be given.
- Pray that the Presbyterian Church Men Fellowship Week will be successful and that many men will be encouraged
