Other Opportunities and Needs

Saturday 3 October – Speaking at Good News for Everyone (formerly The Gideons) annual convention, about the work of Rural Chaplaincy. Rural Chaplaincy has a fantastic partnership with them - they have gifted us some 1,100 New Testaments Psalms and Proverbs, with our Rural Chaplaincy logo on the front cover! We have given out over 800 of these, in a vast variety of contexts, and they are well received across the community. May this be an encouraging conference, for this wonderful organisation.

Thursday 8 October - Hilltown Hotel Bible Study. Please pray for God to speak, in a life-changing way, through His Word, as I teach on, and as we discuss, the next section of Mark's Gospel.

Monday 19 October – For the past number of years I have been asked to speak at Dromore High School (Co Down) Harvest Service, in Dromore Cathedral. Around 400 pupils pack the building. Please pray that God will use this wonderful opportunity for His glory.
