Mission: **Church Planting and Outreach**

October 2026

In September we took part in the **national gypsy mission prayer day** and were greatly encouraged to hear stories of how God is moving in Roma communities around the country. After great teaching, worship and encouraging testimonies, many came forward for prayer for God's spirit to move in us and in the communities represented.

We kicked off our autumn **youth work** in September with 'burgers and bible' night and a youth festival at a nearby congregation. As we move into the winter period, we will focus less on group meetings and more on individual one-to-one discipleship. Pray for wisdom and grace to fill these study times, and for teachable spirits and hearts rooted in the word which will strengthen them to resist temptations and pressures of peers and family.

We praise God for answers to prayer, as we have been able to progress with some of the renovation work in the **Prayer house**. We would like to get as much done this autumn so we can hold services there during the winter, this includes fine plastering, painting and laying floor tiles in both the meeting room and small room. We continue to gather funding for the much bigger project of roof repairs.

In October the **women's bible study group** met twice for pasta making and twice for bible study. We will finish our studies in the psalms and move to a new series of character studies leading us up to Christmas. We are thankful for the three new ladies have recently started to attend and pray the women's group would deepen in their love and knowledge of the Lord.

Prayer Points:

- Please pray for our October 11th evangelism service in the village hall with testimonies, drama and a local praise band. Pray that many would attend and that the spirit of God would touch hearts.
- On October 18th We will have a concert in Hajdúböszörmény with the Crossyounity group from Romania. Pray for a great time of worship together.
- In late October Ilona will spend a week in Latvia on an interdiaconal exchange, joining a local youth ministry, teaching on the dangers of social media for youth on the margins.
- Pray for our usual Friday bible studies finishing a series in the book of Daniel, and also our by-weekly Sunday services.
