Let's Pray

Sun 8 November - **Sat 14 November** 2026

Sunday 8 November

- **Moderator |** *The Moderator will be attending the Pre-retirement conference for ministers taking place in Newcastle this week. He will be leading the communion service at the close of the conference. Pray for all those ministers who are nearing retirement, giving thanks for their years of service, and asking for God's guidance as they prepare to step down.*
- **Worship that equips |** *Praise be to the LORD my Rock, who trains my hands for war, my fingers for battle. Psalm 144:1. Ask that in our worship today God would equip us for the rigours of the battle to follow him faithfully day by day.*

Monday 9 November

- **Naomi Leremore, global mission worker, Kenya |** *Give thanks for the ongoing development of the PCEA's Theological Education by Extension Programme as it seeks to equip a wide range of lay-leaders to serve effectively in congregational life. Pray that TEE resource materials would have solid biblical foundations and remember the Content Team, made up of Rev Jecinta, Miriam, Joyce, Peter, Gladwell, and Naomi, as they seek to form a clear plan of action for material development going forward.*
- **Refugees |** *Pray for the growing refugee crisis in the world today with more than 40 million people on the move, a figure that has doubled in ten years. Pray that those who find themselves internally displaced or living as refugees would know God's presence and protection as they move, his daily provision of their basic needs, and for the resolution of the conflicts and crises that led to their displacement.*

Tuesday 10 November

- **Balbriggan Church Plant, Rev Josh McCance |** *Thank God for a positive transition to morning services and for the weekly home group Bible studies. Pray for those coming to these groups who are not yet believers that they will encounter Jesus and give their life to him. Please also pray for outreach being undertaken, for fruitfulness, particularly that the Lord would open doors to enable the congregation to reach out to those from other backgrounds living in the area.*
- **Heather McKelvie, community outreach worker, High Street, Antrim |** *Later this month a "Vinted sale" afternoon is planned, as well as a men's games night and a ladies' wreath making event. Pray that the gospel would be clearly shared and receptive hearts would respond. Please also pray for the four new communicants last Sunday as they grow in their faith and settle into the congregation.*

Wednesday 11 November

- **Csaba and Ilona Veres, global mission workers, Hungary |** *Please pray for Bible study times through the winter, especially as the focus moves from group meetings to one-to-one discipleship. Pray that those who lead these Bible studies will know much wisdom and grace, and that all they engage with will have teachable spirits, hearts rooted in the Word of God, and be strengthened to resist temptations and the pressures of peers and family.*
- **Presbyterian Church of Myanmar (PCM) |** *Pray for an end to the civil war in Myanmar, a conflict too easily overlooked by the international community, yet now in its sixth year. Pray for the cessation of airstrikes by the Myanmar Military on villages, such as Mindat in Chin State, which have caused many Christian families to be displaced and where churches have been targeted and destroyed.*

Thursday 12 November

- **Heidi England, deaconess, Railway Street, Lisburn |** *Give thanks to the Lord for growing the congregation through baptism and communicant membership. Pray for those who are facing difficult health or personal circumstances, that they will know the Lord's comfort and lean on him in faith.*
- **Wexford Church Development, Rev David Curran |** *Pray for the ongoing church planting work in Wexford, giving thanks for those who are in attendance at weekly worship services. Give thanks for Rev David Curran and pray for him, as he develops this work in conjunction with some additional duties.*

Friday 13 November

- **General Council |** *Pray for the Conferencing Department, headed up by Mr Raymond Robinson. In this particularly busy season, when there are many different external organisations on site each week, ask that the efficient service and positive interactions with these outside groups will serve as a good witness.*
- **Training in Ministry |** *The Conciliation Panel continues to be involved in cases across the Church. Pray for the people involved in these, and the conciliators, that there will be positive resolutions. Pray that the outcomes would be God-glorifying and a blessing to the church.*

Saturday 14 November

- **International Relations |** *Following Remembrance Sunday, let's pray for all who have been affected by war: those who serve, veterans who carry hidden wounds, and families who grieve. Pray for civilians caught up in conflicts around the world today, and for leaders to seek justice and lasting peace.*
- **Adelaide House |** *Heavenly Father, we thank you for Adelaide House and for the care, comfort, and support it provides to its residents. We pray especially for Jordan Anderson, asking that you grant wisdom, strength, and compassion in his leadership. Bless all the staff and residents, fostering a spirit of kindness, dignity, and community. May Adelaide House continue to be a place of safety, happiness, and care for all who call it home.*
